

ALGEBRAIC GEOMETRY IN MEXICO

**November 29 - December 4,
2015**

Puerto Escondido, Oaxaca

México

Institute for Geometry and Physics
Miami-Cinvestav-Campinas

Collaboration in the Americas in
Geometry and Physics

Late fall 2015 north american experts in algebraic geometry will converge in Puerto Escondido to discuss the state of the art in several current subjects in the field as part of the activities of the Institute for Geometry and Physics Miami-Cinvestav-Campinas.

Invited Speakers:

Sergey Galkin
Xavier Gomez-Mont
Phillip Griffiths
Ludmil Katzarkov
Wilson Zuñiga
Gregory Mikhalkin
Jacob Mostovoy
Alexander Efimov
Yan Soibleman
Dmitry Kaledin

Organizing Committee:

Elizabeth Gasparim
Ludmil Katzarkov
Ernesto Lupercio

This event is sponsored by the
NSF.
